Letter No. 1160/127, dated the 11th September, 1929, from the Residency Surgeon, Bangalore, and Memorandum No.P.B.2482, dated the 17th September, 1929, from the Pay and Accounts Officer, Bangalore.

S.NO.331

The Residency Surgeon says that an additional Ayah is very necessary for the Hajee Sir Ismail Sait's Gosha Hospital. He requests sanction to entertain the Ayah from the 1st October 1929 and says that there are savings to meet this additional expenditure.

The Pay and Accounts Officer says that there is no objection to the proposal being sanctioned by the Hon'ble the Resident under Rule 61 of the Book of Financial Powers.

Perhaps the entertainment of an additional Ayah ~~with effect from the 1st October, 1929~~, may be sanctioned. The sanction will have effect from the date of the Draft submitted.

This appointment seems necessary and as it is for medical purposes in a Hospital which deals with the very poor , may be sanctioned. At the same time we get a good many demands for increases in expenditure of small amounts which in themselves insignificant, total up gradually to a big figure. In view of the fact that we are nearing the limit of our expenditure with the present datum level it seems necessary to keep a rather careful check on these matters.

Sir,

For sometime now I have deferred addressing you on the question of the Entertainment of an additional ayah,for the hospital,as I endeavoured to carry on with the present 3 ayahs,but I find that it gets more and more difficult to do so.

At present we have 3 ayahs ,two for duty in the wards during the day,and the third for night duty.Of the former one has to be taken away from the wards during the time the Out-patient department is open,and this period is usually the most busy time in the wards,with the new admissions,cases being brought up for dressings or examinations,Serving of diets etc,and it makes the work very heavy for the one ayah left in the wards.We have felt this especially of late,as for sometime now the wards have been quite full with 20 In-patients day after day.When an operation has to be performed,the ayah who attends at the Out-patients department has to see to sterilization previous to,and the cleaning up after the operation,which keeps her busy for a great part of the morning, so that the ward ayah often has to help in the Out-patient Dept leaving no ayah in the wards.

Also I may mention that of the 3 ayahs,only one knows Theatre work and the managing of Primus Stores etc,and when she happens to be on night duty and an operation has to be done in the morning,great inconvenience is experienced by all.

In the circumstances,I would request you will be so good as to sanction from 1st October 1929,an additional ayah who will be utilized entirely for Theatre and Out-patient work and for sweeping and cleaning the Charge-Nurses' quarters,leaving the 3 others for ward work day and night.

The additional expenditure,Rs.90/- could probably be met

Officer, Bangalore, for information, with reference to his Memorandum No.P.B.2482, dated the 17th September, 1929.
